TRAINING PROGRAM
HI DELTA SERVICE SCHOOL**

HI DELTA "B" & "C" COMMERCIAL POOL HEATER SEMINAR

Select Date

- March 7th & 8th
- October 10th & 11th

Hi Delta Only \$250.00 for both days

The class covers the Hi Delta heaters, sizes HD101-2342C, used in pool applications. The topics include design features and upgrades, wiring schematics and ladder diagrams, the Central Point Wiring boards (CPW), the new Versa IC Control, troubleshooting, plumbing and venting section. Class topics also include an in-depth discussion of the sequence of operation for each heater.

The second day of the class will include "hands-on" troubleshooting. The "hands-on" session will last most of the day to ensure that everyone can troubleshoot the units quickly and efficiently.

The cost of the two day Hi Delta class is \$250. Included in the class you will receive the training manual (first day ONLY and only one per person). We provide a light breakfast of coffee, juice and pastries or bagels and a catered lunch at noon. The class hours are 8:00 AM to 4:30 PM. A certificate of course completion is awarded at the end of class. Register early, as the class size is limited to a maximum of 30 people.

A guided plant tour through our manufacturing facility the second day will be held and safety is of the utmost priority. No shorts or open toed shoes such as flip flop's or sandals may be worn to the class.
